Product Description

2023 Jeep Gladiator 3.6L Overland Pickup Truck Torque 347N.M Jiaodoushi Car For Sale MOQ 1 Unit Wholesale

The Jeep Gladiator Overland Pickup is a breathtaking off-road pickup truck that combines legendary Jeep capability with modern technology and style. This pickup is loaded with features that make it stand out from the competition.

Our Product Introduction

R·CHENG

The Jeep Gladiator Overland Pickup boasts a durable and powerful 3.6-liter V6 engine that produces 285 horsepower and 260 pound-feet of torque. The engine is paired with a smooth-shifting eight-speed automatic transmission for effortless acceleration and superior fuel economy.

The Overland Pickup provides a luxurious and comfortable cabin with high-quality materials and leather-appointed seats. The modern infotainment system includes a touchscreen display, navigation, and a rearview camera for enhanced convenience and connectivity on the road.

This pickup truck is designed for off-road adventure, equipped with advanced four-wheel-drive technology, dana-44 axles, and an electronically locking rear differential for maximum grip in any terrain. The Gladiator Overland Pickup also features Fox shock absorbers, 17-inch all-terrain tires, and skid plates that provide unparalleled off-road capability.

The Jeep Gladiator Overland Pickup is the perfect combination of performance, comfort, and style. With its ability to handle any terrain and conditions, this pickup will become your go-to choice for any adventure.
